

## WAYS TO INSTALL

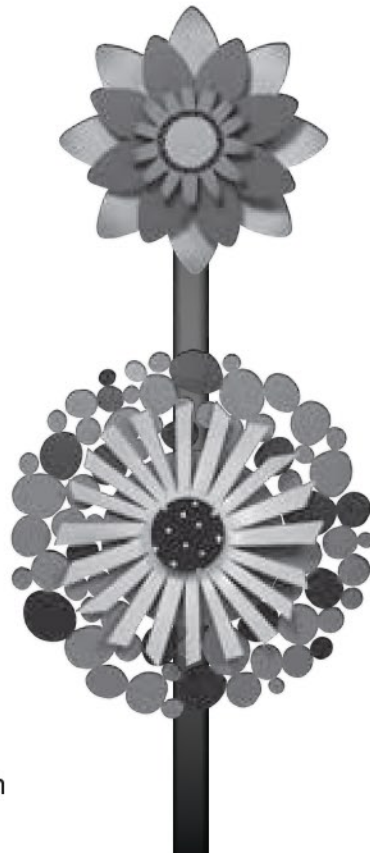

### Bracket System

With our easy-to-use bracket system (hardware included), you can mount your Kaleidoscope sculpture on just about any surface – a tree, fence, deck post, or wall.

### Auger Pole

You can also mount your sculpture on one of our stand-alone auger poles (sold separately), which easily screws into the ground for display in your yard or garden. To purchase an auger pole, please contact your local Studio M retailer.
